# Dear colleagues,

Charles Swanton  
(London, UK)

after the great success of the 1st Cologne Conference on Lung Cancer (CCLC) in April 6-7, 2017, we are again looking forward to an exciting meeting on cutting-edge translational research in lung cancer.

So we are very pleased to announce the 2nd Cologne Conference on Lung Cancer from June 26-27, 2019 which will take place again at the Maritim Hotel Cologne.

Roman Thomas  
(Cologne, DE)

This conference brings together the best international specialists of lung cancer research to discuss the current challenges in diagnostics and therapy with topics like immune checkpoint inhibitors: resistance and combinations, immunotherapy: beyond PD1, news from the kinome, clonal heterogeneity and resistance as well targeted therapy of SCLC.

Reinhard Büttner  
(Cologne, DE)

The 2nd Cologne Conference on Lung Cancer has an interactive orientation with a strong focus on discussion.

We are very much looking forward to seeing you in Cologne again for this valuable two day meeting!

Jürgen Wolf  
(Cologne, DE)

Sincerely,  
Your Chairs

**Charles Swanton**  
**Roman Thomas**  
**Reinhard Büttner**
